

Active & Safe Routes to School

More than just a walk

Support children getting to school in an active & safe way - we all have a role to play

Work with your school and community to plan & support safe & active routes

Be a volunteer walking supervisor for students

Be an active role model

Build children's confidence, skills & abilities to walk and wheel to school safely

Benefits along the Journey

Friendship & belonging

Happiness & well-being

Alert & ready to learn

Environmental well-being

Safer community

Health

Connection to nature

Sense of adventure & independence

Be an active partner where you live, learn, work and play!
