- Provide opportunities for networking among members, professional, provincial and local organizations and volunteers
- Provide policy-building and capacity-building opportunities that address specific needs and concerns within the local region
- Plan annual recreation summit
- Plan a second event during the year
- Seek support and develop linkages to professional and provincial organizations

Benefits of Membership:

- The membership fee for 2014 is included in registration for the 2013 Recreation Summit. After Nov 14th the annual membership fee will be \$15
- Members may receive:
 - invitation to attend networking breakfast and workshops
 - notification of upcoming webinars; education opportunities
 - newsletter

Executive Committee Membership

Looking for six to eight executive committee members, representing both Lanark and the United Counties of Leeds and Grenville:

- Municipalities
- Recreation organizations
- Sports organizations
- Service clubs
- Health organizations
- Education sector
- Others interested in physical activity and recreation

The Leeds, Grenville and Lanark District Health Unit, as host agency for the Healthy Communities Partnership, will provide administrative support to the *Rural Recreation Association*.
